Allowable Subject Matter

1. Claims 9-16 are allowed.

The following is an examiner's statement of reasons for allowance:

The prior art does not teach or suggest the switch contact arrangement comprising the erosion pointer follows the movement of the first switch contact and with the contacts closed, extends beyond the display surface or display edge only when the value for the erosion of the switch contacts is less than a given maximum value, a marking in the form of a cutting surface or cutting edge and is suitable for guiding the cutting edge of a tool and is provided for cutting the erosion pointer, whereby the marking is separated from the display surface or display edge by the maximum permitted erosion of the switch contacts.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
